Pontins – 1-3 July 2011

The older girls have been attending Pontins ever since they were able as U11s but they could not go the same weekend as our other teams and not wanting them to miss out we went the following weekend with them. Again the weather was great! The team was a combination of the U14s and the U15s and they all worked hard qualifying for the Cup Competition on Sunday.

Sunday found them playing in probably the hardest group there and although they worked hard they missed out on going further and playing in the play offs.

As with the previous week the club would like to say 'Well done girls you all played excellently and are a real credit to the club!

The Coaching Team

Pontins – 24-26 June 2011

This is our annual end of season tournament which takes place over a weekend in Somerset! Like last year the weather was absolutely fantastic with sunshine most of the time. Unfortunately not enough of the U11s were available so it was left to our U10s to go along and represent this age group. The few U11s that could come along played for our U12s allowing us to enter two U12 teams. Both our U13 teams attended.

All the teams played really well on the Saturday resulting in both Storm (U13s) and Cyclone (U12s) qualifying for the Cup competition on the Sunday. Blizzard (U13s), Typhoon (U12s) and Lightning (U10s) qualified for the Plate.

Sunday arrived and all our teams were up early and raring to go! Storm and Cyclone were both in tough groups and worked hard. Unfortunately they narrowly missed qualifying for the quarter finals. Our Plate qualifiers also played well finishing in the middle of their groups.

Well done girls you all played excellently and are a real credit to the club!

The Coaching Team

Turnford Tournament – 11 June 2011

This tournament was for the older girls with the youngest age group being the U13s. Therefore, we took our U13s, U14s, and U15s. The weather was great and everyone played really well although it was a long day. The U13s and U14s were split into two pools and the U15s played a 'Round Robin' competition.

The U13s and U14s narrowly missed out on reaching the semi finals finishing 4th and 3rd respectively in their pools. The U15s also did well and finished in the top half of their group. A good warm up for Pontins!

Tegate Invitation Tournament – 5 June 2011

The U12s (Cyclone), U13s (Storm), and U14s (Hurricanes) were split into two pools. Both the Yr5s and Yr6s were in one pool and played 'Round Robin' tournament. All teams played some excellent netball and again there was some mixed results. However, the U14s were successful and finished first in their pool. This resulted in them going forward to play in the semi finals and eventually finished as runners up. Well done!

Chelmsford Invitation Tournament – 8th May 2011

A wonderful day and even the weather stayed fine! Some very good netball was played against some very tough opposition.

Apart from the U11s all the other age groups played a 'Round Robin' tournament and again the U15s and U16s were combined. However, on this occasion each age group had their own trophies and our U15s (Thunder) finished as runners up in the U15s. Unfortunately all the players apart from the Captain had left and so she collected the trophies on the teams' behalf. The U14s (Hurricanes) played excellently and did not lose a game all day resulting in them finishing as winners!

Hurricanes – Under 14s Winners Thunders Captain receives the trophies

Both Cyclone and Typhoon our U12 teams and Storm and Blizzard our U13 teams were entered although there was some mixed results all played excellently.

The U11s were split into two pools and we entered our Yr5s to give them some experience of rallies. Although they did not win a game they all enjoyed themselves. Mistral our Yr6 team was in the second pool and against some very stiff opposition finished the day in the middle of their group .

Well done to all our teams!

Thurrock Rally – 10th October 2010

This was our first rally of the season and yet again we had a wonderful time and all teams played well.

Mistral (Yr6s) and Hurricanes (Yr9s) played a 'Round Robin' Tournament playing every team in their age group. For Mistral this was their first Rally and finished in the middle of their group playing 9 teams. Hurricanes being seasoned players to rallies played excellently and finished runners up behind Turnford.

The Yr7s (Cyclone) and Yr8s (Storm) were split into two pools with semi-finals and finals deciding the winner and runner up. Both our teams played well and just missed out in qualifying for the semi's.

The Yr10s and 11s were put together and again played in two pools. As such Thunder our Yr10s were playing teams a year older than them. However, they did not let us down and finished in the middle of their pool. Well done!
